

ACCESS HOUSING TENANT ART DISPLAY

WHAT IS THE TENANT ART DISPLAY?

The Access Housing Tenant Art Display is a permanent art display that exhibits tenant artwork in the foyer of our Rivervale office.

The Tenant Art Display aims to celebrate the talent of our tenant artists and promote the health and wellbeing benefits of engaging in art.

Each year, Access Housing holds a celebration event for the tenants who have displayed art during the year.

WHO CAN DISPLAY ART?

You can display art if you are an Access Housing tenant, household member or carer of an Access Housing tenant.

Access Housing welcomes budding and professional artists as well as tenants who create art as a hobby or interest.

WHEN CAN I DISPLAY MY ART?

The Tenant Art Display is a rotating display, which means tenants can submit artwork at any time of the year.

Once you have your art on display, you can rotate your artwork for other pieces you have created as often as you like.

WHAT CAN I DISPLAY?

Access Housing welcomes all kinds of art including paintings, drawings, sculptures, woodwork, jewelery and more!

Access Housing will only display original artworks and will not accepted copied works. We also will not display any works that are deemed inappropriate or unsuitable for general display in our office.

WHAT DO I HAVE TO DO?

The Tenant Art Display provides a way for you to be involved in a tenant program without needing to attend a group or leave your home.

If you would like to be more involved, you can attend our yearly Art Display event with other tenant artists and staff.

Tenants are also welcome to view their art in the office at any time, or we can send you photos of your exhibited pieces.

HOW DO I GET INVOLVED?

Contact Access Housing and let us know that you want to be involved.

We will talk to you about your artwork and complete a form with you. We will then arrange a way to get your art to our office as informed by what is most convenient for you.

To be involved please contact Access Housing's Tenant Engagement and Capacity Building Officer Alex Kepes on 9430 0900 or email alex.kepes@accesshousing.org.au.
